Generation 4 of our most popular 120V under cabinet fixture. This new model combines style and efficiency with a patented premium diffuser which eliminates hotspots giving a uniform beam of light. Its intuitive design adds functionality with a vibrant atmosphere to your kitchen or design space while eliminating shadows and dark corners. Create a warm, soft ambient glow with its dimmable feature. These LED undercabinet lights consume very low energy making it a cost effective solution to your lighting requirements.

FEATURES

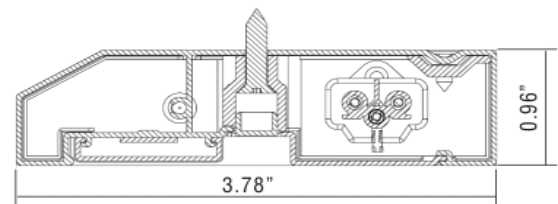

- 120V NO TRANSFORMER REQUIRED
- 275~1100 Lumens
- White or Bronze finishes
- Dimmable (with CORE LED ELV drivers)
- 8" to 32" Length Options
- Superior color rendering index
- Seamless connector included
- Linkable up to 400W
