

ALP-350TL

Recessed Mount Trimless LED Profile

The ALP-350TL is a recessed, Architectural Grade LED extrusion profile designed for recessed linear LED applications. Made from high quality anodized aluminum, these fixtures provide superior thermal management for higher wattage LED strips and prolong the overall lifetime of your lighting system. The ALP-350TL is manufactured with a patented frosted diffuser for maximum lumen output and wide beam distribution. The ALP-350TL also helps protect LED's from dust and other undesirable elements, which can shorten the lifetime of the LED.
