

ALP-1004FX-TL

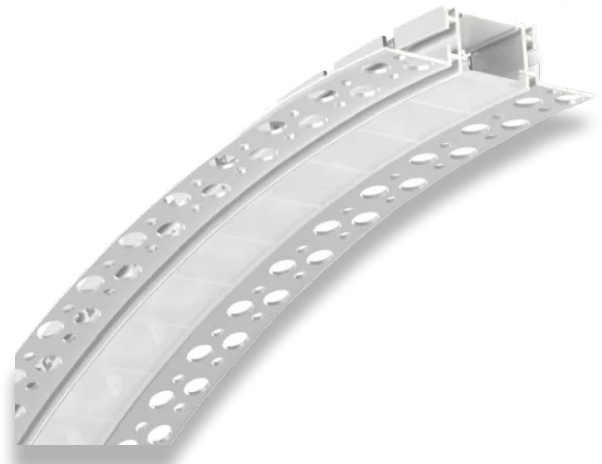

FLEXIBLE TRIMLESS LED PROFILE

Project _____

Location _____

Quote/ Ref # _____

The **ALP-1004FX-TL** is a flexible, Architectural Grade, trimless LED profile that installs into drywall, providing a seamless and continuous band of light. Uniquely engineered to bend vertically, it effortlessly follows the curves of walls and freeform shapes. This versatile profile supports LED strips up to 20mm (0.79 in.) wide, making it ideal for custom lighting designs.
