## FLEXIBLE TRIMLESS LED PROFILE

Project \_\_\_\_\_

Location \_\_\_\_\_

Quote/ Ref # \_\_\_\_\_

The **ALP-1005FX-TL** is a flexible, Architectural Grade, trimless LED profile that installs into drywall, providing a seamless and continuous band of light. Uniquely engineered to bend horizontally, it effortlessly follows the curves of walls and freeform shapes. This versatile profile supports two LED strips up to 10mm (0.39 in.) wide, making it ideal for custom lighting designs.
